Framework Contract FWC2\_CEDEFOP\_2023\_OP\_0001

Dear Sir,  
Dear Madam,

We are writing to invite you to contribute to the work that Cedefop (the European centre for the development of vocational education and training) is doing to monitor the implementation of European priorities set for vocational education and training (VET) in your country. Your organisation is one of the main VET stakeholders in your country and your experience and views are very important.

Cedefop has contracted Visionary Analytics (Lithuania) in cooperation with IRS (Italy) and Panteia (Netherlands) to support this work and interviews with VET stakeholders are important part of it. Experts from these organisations will conduct the interviews. In total, about 260 interviews will take place in EU-27 countries, Norway and Iceland.

By participating in the interview, you will help us better understand how European countries implement European VET priorities. During the interview, we invite you to:

- (a) reflect on the European priorities that are relevant in your country;
- (b) discuss how the activities of your organisation contribute to those;
- (c) talk about what works and what could be improved.

Based on the information we will gather, Cedefop will analyse the developments and will elaborate policy pointers.

We would appreciate if you could find the time and a possibility to take part in the interview. If you would like to know more about our work or need any further information, please feel free to contact Irina Jemeljanova, a Cedefop expert on VET policies and systems, at the following e-mail:  
[irina.jemeljanova@cedefop.europa.eu](mailto:irina.jemeljanova@cedefop.europa.eu).

Thank you in advance for your kind cooperation.

Kind regards,

Loukas Zahilas
